- Getting Started with Cisco Packet Tracer – Cisco Networking Academy, December 2024
- Exploring Networking with Cisco Packet Tracer – Cisco Networking Academy, December 2024
- Exploring Internet of Things with Cisco Packet Tracer – Cisco Networking Academy, December 2024

- ISO/IEC 20000 IT Service Management Associate – SkillFront, July 2026
- Platform Administrator – Salesforce, September 2026
- Agentblazer Champion – Salesforce, September 2025
- Information Technology Specialist – Certiport, September 2026
- Cybersecurity – ADBInstitute

PROJECTS

Studio Emily Pilates Web Application 2026

Description/Purpose: A modern, mobile-responsive web platform for a boutique fitness studio in San Juan, La Union. It streamlines appointment requests, showcases class packages (Mat and Reformer Pilates), and connects clients directly to studio channels.

Role: Full-Stack Developer & UI Designer

Tools/Technology: React, JavaScript (ES6+), Vite, Tailwind CSS, Firebase Hosting, Lucide React, Git/GitHub

Output: A live, production-deployed web application with direct booking flows, custom pricing tiers, GCash/direct-messaging integration, and multi-site Firebase domain routing.

Jeepney-Rush 2025

Description/Purpose: A 2D side-scrolling game that captures the daily hustle of a Filipino jeepney driver through multiple challenges.

Role: Front-End Developer, UI/UX Designer & Team Leader

Tools/Technology: HTML, CSS, JavaScript, Unity, Figma

Output: A working side-scrolling game with more than one challenge.

WORK / RELEVANT EXPERIENCE

Seeking an internship opportunity to apply skills in web and mobile development.

LEADERSHIP / ORGANIZATIONS / RELEVANT ACTIVITIES

Capstone Project Leader – Bulacan State University 2025 – 2026

- Managed project documentation and directed end-to-end development of the capstone project.

Lead Game Developer & Designer – Bulacan State University 2025

- Led a development team in designing and deploying 2D game mechanics in Unity (C#), overseeing gameplay physics, character controllers, and custom UI systems.
